

XXVI EDITION OF THE WEEK OF THE ITALIAN LANGUAGE IN THE WORLD – FARE CINEMA IN
ZIMBABWE

Harare, 20-22 October 2026

On the occasion of the Week of the Italian Language in the World, the Embassy of Italy in Zimbabwe is organizing the ninth edition of the film festival "Fare Cinema", scheduled from 20 to 22 October at the Italian Residence.

The event will feature the screening of one film per day over the three days, thanks to the "Italian Screens" project, an initiative to promote Italian cinema launched in 2022 through the collaboration between the Ministry of Foreign Affairs and International Cooperation and the Directorate General for Cinema and Audio-visual of the Ministry of Culture.

Each screening will be accompanied by a talk from a speaker who contributed to the making of the film, offering the audience the opportunity to gain first-hand insight into his/her professional and personal experience.

The festival represents an important opportunity to promote the Italian language and culture in Zimbabwe through cinema. Furthermore, a significant contribution to the realization of the initiative has also come from Dante Global, which has provided two scholarships for online Italian language courses, offering the selected young Zimbabweans a further opportunity to approach the Italian language and deepen their studies.

Participation in the event is by invitation only.

The poster for the Fare Cinema 2026 festival is divided into three columns, each representing a day of the event. At the top, logos for the Italian Language Week, the Italian Embassy in Harare, the Italian Republic's patronage, and Dante Alighieri Society are displayed. The central title 'FARE CINEMA 2026' is prominently featured, with the subtitle 'The Italian Movie Industry' below it.
